FLAVORFUL PATTIES
AT A PERFECT PRICE

Give your customers a delicious 100% pure beef burger-eating experience by adding Maverick™ beef patties to your menu. Loaded with flavor and priced to optimize profitability, Maverick™ beef patties are a great fit for operators seeking to offer the perfect value while giving business a hearty boost. And because our patties are always formed using a proprietary process utilizing perforation and rolling, you can count on better bun coverage and a tender bite that brings burger lovers back.

- Always 100% pure beef
- Cooks from frozen for added labor savings
- Preformed portions for added convenience
- Proprietary forming process creates a tender bite every time
- Wider patties mean better bun coverage and heartier burgers
- Unseasoned to accommodate signature seasonings or sauces
- Great for a variety of menu items, from kids’ patties to double builds
**FEED A GROWING NEED**

- 48% of today’s consumers eat a burger at least once a week, up from 38% in 2009
- 56% say the quality and taste of the meat is the most important factor in choosing a burger from a restaurant
